March 11, 2022

Dear Commissioners,

As of today, March 11, 2022, we do not have a fuel surcharge on our tariff, but we would like to add one. We feel an 8% fuel surcharge on the total of the invoice is needed immediately. With the rising cost of diesel, we feel this is necessary. We ask the commission to expedite and grant this surcharge on behalf of our small business, Minute Man Movers LLC.

Best regards,

Minute Man Movers LLC
